Why Choose ISAP?

Multidisciplinary Learning

Explore AI, digital transformation, innovation, sustainability, healthcare, media and intellectual property with ADU faculty.

Exclusive Industry Visits

Confirmed visits include: ADNOC, Tesla, DAMAC, SAP and Saal AI. Connect classroom ideas with professional practice.

Cultural Discovery

Discover Emirati heritage, explore three cities and experience a desert safari with your international cohort.

Global Connections

Meet ADU students and international peers. Build friendships, share ideas and develop intercultural confidence.

Program Details

Eligibility: Undergraduate and postgraduate students, MBA candidates and young professionals.

Includes: Academic sessions, shared accommodation, transport for official activities, industry visits, selected cultural activities, desert safari, and welcome and farewell meals.

*Exclusive partner rate. Credit recognition is subject to approval by the participant's home institution.
